Office of the Commander

Dear Mrs. <sup>Kelly</sup> Narowski:

On behalf of the Army Air Operations Group (AAOG), I would like to extend my sincere appreciation for presenting your personal story during our Safety Stand Down Day. Your presentation was exceptional in both delivery and substance.

Your presentation will go a long way in promoting safety readiness in our ranks. Your style, communication skills, materials, and most of all, your message, were professional, captivating, and sobering to our Soldiers and civilians you have tried so hard to educate and protect. Your emphasis on the hazards of driving while impaired or distracted is something I am confident made a lasting impression on all.

You have an important story to tell and we are so thankful you were able to share your message with us. Once again, thanks for all you have done in your effort to promote safety across the Army and thank you for helping to make the AAOG Safety Day an overwhelming success.

Sincerely,
